DEFINITIONS

HUMAN TRAFFICKING: involves the use of force, fraud, or coercion to obtain some type of labor or commercial sex act (DHS.gov)

LABOR TRAFFICKING (a form of forced labor): The Trafficking Victims Protection Act of 2000 (TVPA) defines labor trafficking as: “The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage or slavery.” The TVPA also recognizes sex trafficking, which is discussed in a separate fact sheet. A modern-day form of slavery, labor trafficking is a fundamental violation of human rights (acf.hhs.gov)

DOMESTIC SERVITUDE (form of forced labor): a situation in which victims are forced to work against their own will, under the threat of violence or some other form of punishment, their freedom is restricted and a degree of ownership is exerted. Examples include: being required to clean houses. (acf.hhs.gov)

SEX TRAFFICKING: Sex trafficking occurs when someone uses force, fraud, or coercion to cause a commercial sex act with an adult or cause a minor to commit a commercial sex act (Shared Hope)

CHILD SEX TRAFFICKING: refers to the recruitment, harboring, transportation, provision, obtaining, patronizing, or soliciting of a minor for the purpose of a commercial sex act. Force, fraud or coercion do not need to be present for the crime to be considered child sex trafficking (justice.gov, humantraffickinghotline.org)

CHILD EXPLOITATION: is a broad term that encompasses all forms of child sexual exploitation. This may include many of the other terms on this list, such as child sexual abuse material, child sex trafficking, and others like sextortion. This is one of the broadest ways to talk about the issue as a whole, rather than the individual and nuanced pieces (Thorn.org)

STATISTICS

- Human trafficking is the 2nd largest illicit industry in the U.S., 2nd only to the drug trade (UNICEF, nd)
- There are 40.3 million trafficked persons globally today and 25% of them are children (Liberate Children, International Labour Organization) Forms of Child Trafficking include forced marriage, begging, sweatshops, pornography, migrant farming domestic labor, sextourism, armed groups (commonly known as child soldiers) (Unicef)
- Sex trafficking is the most common type of trafficking in the US. In North America 72% of detected survivors were trafficked for sexual exploitation. (UNODC, HTIP report 2020)
- 70 million CSAM files are estimated in 2019. 78% of this file are children under the age of 12 (Thorn)
- The extent of family involvement in child trafficking 4x higher than in cases of adult trafficking (CTDC)
- 53% of all male victims trafficked into sexual exploitation are children. (CTDC)
- Child sex trafficking has been reported in all 50 U.S. States. (NCMEC)
- A higher percentage of identified children are trafficked for sexual exploitation than for forced labor (UNODC)

ONLINE EXPLOITATION

CHILD SEXUAL ABUSE MATERIAL (CSAM): refers to any content that depicts sexually explicit activities involving a child. Visual depictions include photographs, videos, live streaming, and digital or computer generated images indistinguishable from an actual minor. CSAM better describes the reality of this crime, rather than the legal term of child pornography. It's important we use terminology that reflects the impact of this crime on its victims (Thorn.org).

”At any given time, there is an estimated 750,000 child predators online — and they all have a key to your house via the Internet” (FBI, nd)
