JOIN THE FIGHT

We go to the darkest corners of the world to assist in rescuing children from slavery and ensure ongoing aftercare, provide cutting edge tools and resources to U.S. law enforcement throughout the United States, while strengthening preventative efforts that benefit at-risk children worldwide. We will not give up and will continue to go to the darkest place until light is restored and every child is protected.

You are now in the fight with Operation Underground Railroad.

We lead the fight against child sex trafficking and sexual exploitation around the globe.
“We care about the numbers and statistics. They bring light to the reality of how large this criminal enterprise really is. We frequently look to the amazing organizations that specialize in this research to help us understand how the crime of human trafficking is growing and changing. It is estimated that over 40 million people are trafficked worldwide today, 25% are children.

But we wouldn’t care if that number was even half a million, five hundred. fifty or even just one. We know it’s out there; we see it. It’s everywhere. We fight it every day, and until we don’t see it anymore, we won’t stop trying to find and help these kids. We will continue to go to the darkest places to bring back the light.”
