**\$100/TEAM OF FOUR**

Reps for Rescue is a fitness competition where gyms and individuals join forces to take a **stand against sex trafficking and child exploitation** by engaging in a series of intense exercises to demonstrate their dedication to the fight.

Whether you're representing a gym or participating as an individual, your efforts will help raise awareness and crucial funds to support OUR Rescue's mission.

This is an opportunity to showcase your community spirit and to challenge yourself, all while empowering a life-changing cause.
